RE:

Community Tree Program/Arbor Day

Trees being offered through City of Reedsburg for tree bank planting

The Reedsburg Parks and Recreation Department is offering a Community tree program for the spring of 2016 to celebrate **Arbor day** and Reedsburg's status as a **"Tree City USA"**. Trees are being offered to the public at a reduced rate to encourage tree planting throughout the City of Reedsburg. Trees can be ordered at Reedsburg City Hall located at 134 S. Locust St. **Trees must be planted on the tree bank and within the City limits.** There is a two tree limit for each household. Supplies are very limited and trees will be sold at a first come first serve basis. Species being offered this year are **Red Oak, Accolade Elm and Greenspire Linden.** Red Oakes and Lindens are 1 inch to 1 1/2 inch in diameter and are 6 to 8 feet in height and can be taller. Accolade Elms are 5-6ft tall. All tree are bare root. Property owners are responsible for planting their own trees. There will be no refund or replacement for trees that don't live. Payment of \$25.00 for the Red Oak and Greenspire Lindens and \$10 for the Accolade Elms will be due when an order is placed at Reedsburg City Hall, 134 South Locust Street. No trees will be delivered unless **FULL** payment has been made. Cash or check will be accepted and should be made out to the City of Reedsburg. Tree order deadline will be Thursday, April 21, 2016. Trees will be delivered on Friday, April 22nd or Saturday April 23rd. For questions please call Matt Scott, Park & Recreation Director at 608-524-2600.
